

Set along the Inter Coastal Waterway, this 500 acre waterfront community offers the best of coastal living.

131 Ocean Boulevard West Holden Beach, NC 28462

SeaScape is a gated community of custom built, single-family homes, each uniquely designed with timeless southern architecture in mind, that comfortably sit in an individual landscape on a quiet tree lined street. Opened in 1999, SeaScape boasts small town living along acres of salt marshes, natural ponds and unspoiled maritime forest.

Residents have a protected 75-slip deep water marina, located less than 1/2 mile from the Atlantic Ocean. Marina amenities include a Yacht Club with an outdoor kitchen and dining area, a boat launching ramp, secured boat storage, and a Dock House for cleaning your catch!

The elegant Owner's Clubhouse has a state-of-the-art fitness center, an event lawn, tennis, volleyball, indoor and outdoor pools, a kitchen and meeting room, and even a lending library.

Recreational pavilions and gazebos extend out into the tidal marshes providing residents with serene gathering places. Miles of walking and biking trails network throughout the community and connect the neighborhoods, which are separated by woodland buffers to preserve the wildlife habitat and maintain the beauty of the old oak forest.

Just minutes away is the private oceanfront Beach Club on Holden Beach, complete with outdoor showers, a lounge with a cozy fireplace, free parking, clean restrooms, a spacious kitchen, and a delightful porch overlooking the beach.

SeaScape is just 45 minutes from the charming port cities of Southport and Wilmington, and the exciting entertainment venues of Myrtle Beach, South Carolina.
